RECORD KEEPING MADE SIMPLE.

We know you're busy. And we also know that finding time to document injuries properly can be a challenge, especially with a line of athletes waiting to see you and games to cover. ATGenius is an easy-to-use EMR system created for athletic trainers by an athletic trainer to help you save time and stay organized. Our web-based system lets you enter records anywhere - from your office, the field, or even at home. With our fluid design, you'll be more efficient, productive and up-and-running in no time. If you're looking for an EMR that makes record keeping simple and fast, go to ATGenius.com and sign-up for a free 60-day trial today!

HOW **AT**GENIUS CAN BENEFIT YOU

- ✓ Save time with streamlined SOAP notes and our autofill feature for faster documentation.
- ✓ Stay connected with your patients using our text messaging feature to send reminders, concussion symptom checklists, and patient outcome measures.
- ✓ Improve your efficiency with our treatment sign-in QR code, rehab card feature and preseason forms module.
- ✓ Show your value with detailed injury and treatment statistics reports over a season or school year.
- ✓ Bring out your inner genius using our free resources such as our AT Survival Guide, Best Practice Papers and Documentation Guidelines.

WHO COUNTS AS A TEAM MEMBER?

A team member is any healthcare professional that will have access to enter or edit medical records. These include:

- Athletic Trainers
- Substitute ATs
- School Nurses & Physicians
- CAATE-Approved AT students

Coaches, athletes, school staff members or those provided read-only access do not count as team members.

ATGENIUS PRICING

ANNUAL RATE

1-5 USERS = \$499

6-10 USERS = \$599

11-15 USERS = \$699

16-20 USERS = \$799

20+ USERS = CONTACT US

MULTIPLE SCHOOLS IN YOUR DISTRICT?

Each additional school within a district, clinic or hospital is an extra \$299 per year.

For example, if a district has 3 schools with 5 or less users at each school, the price would be \$499 for the first school and \$299 each for the remaining 2 schools for a total yearly fee of \$1,097.

An administrative fee will apply if your school or organization requires a contract, business associate agreement, security assessment or attorney review.
